Dear Parents / Guardians

★ Like previous years, the school will supply books and note books required for the academic year 2021-2022. Getting books and notebooks from the school is **NOT** obligatory, but for the convenience of organising this book distribution it is better that the parents / guardians either get both books and note books together or the whole set of books. Book list of all the classes will be displayed on the school notice board one week before the commencement of the new academic year. This will enable the parents to get from the market if they decide **NOT** to get books from the school. If interested to get the books and the stationery from the school, parents / guardians are requested to submit the Books willing Slip at the school office on or before 27.02.2021.

★ For the convenience of classes 11 and 12, the school will make books available for them who would like to get the books from the school.

Please note:

1. You have to get books and note books from the school once you have ordered.
2. The notebooks which you buy from outside market must be in accordance with the size and quality of the note books supplied by the school.
