Dear Students and Parents of Classes 9-12,

We thought that this academic year (2021-22), we would have offline classes. This was why, we had planned to charge 100% fees for the classes 9-12. However, this did not materialize due to the second wave of Covid-19 (though we held the Assessment 4 offline for the classes 9 & 11). Therefore, if anybody is in financial problem due to Covid-19, could write a mail to the School at sxsbwn@gmail.com and we will reduce the fees to 80% in our online fees portal. If you are able, please continue to pay 100% fees. This will greatly help us.
