Dear Parents/Guardians and Old Students

I would like to strengthen the School Alumni Association. Therefore, I request all the parents who had been our students to fill in the Google Form. Kindly take a few minutes and fill in the Google Form by November 21, 2021 which will help us to organize planned activities for the improvement of the School.

It is my earnest request that our Old Students take active part in our School activities. Your participation will enhance the school over all. This in turn will help your children and the future generation to get educated in the best way possible.

Please click on the following link to complete the Google Form.
