Dear Parents / Guardians,

Like previous years, the school will arrange for books and note books required for the academic year 2024-2025 for classes LKG - 10. Getting books and notebooks from the school is NOT obligatory. Book list of all the classes will be displayed on the school notice board one week before the commencement of the new academic year. This will enable the parents to get from the market if they decide NOT to get books and notebooks from the school. If interested to get the books and the notebooks from the school, parents / guardians are requested to submit their Willingness Slip to the class teacher on or before **30.11.2023.**

Please note:

1. You have to get the books and notebooks from the school once you have ordered for.
2. The notebooks which you buy from the market must be in accordance with the size and quality of the notebooks distributed at the school.
