Dear Students, Parents, and Guardians,

We would like to inform you that there will be a slight increase in the school fees for the upcoming academic year 2026–2027.

We are also pleased to announce the introduction of Robotics and Artificial Intelligence (AI) as a new subject for students of Classes 1 to 8, beginning April 2026. This initiative aims to equip our students with essential 21st century skills, fostering creativity, logical thinking, and technological awareness from an early age.

We appreciate your continued support and cooperation as we strive to provide quality education and innovative learning opportunities for our students.

Fr. Dr. Maria Joseph Savariappan SJ,
Principal
