Dear Parents and Guardians,

I have always taken great pride in the parents and guardians of our students. As I have often mentioned in my speeches, you are our greatest strength, and we count on your continued support. We sincerely appreciate the trust and confidence you have placed in St. Xavier's School, Burdwan.

We are partners in the noble mission of providing quality education and holistic formation to the future generation of our society. Your cooperation and support are, therefore, indispensable to the success of this mission.

It has come to my notice that certain **unofficial WhatsApp groups** have been created in the name of St. Xavier's School, Burdwan. The School does not approve any of these groups at all. Unfortunately, these groups often become platforms for the spread of misinformation, rumours, or unnecessarily negative discussions. Such communication can create confusion, damage trust, and distract us from our shared goal of nurturing our children.

On several occasions, I have requested our respected parents and guardians not to participate in such groups. Yet, many continue to do so. It is particularly unfortunate when comments are made after hearing only one side of a matter, without verifying the facts. Such discussions neither resolve issues nor contribute to a healthy and positive school community.

If you have any concern, grievance, or suggestion, I earnestly request you to approach the School directly. We are committed to listening to every genuine concern with fairness, respect, and prompt attention. Open and honest communication between the School and parents is always more constructive than speculation.

As you know, St. Xavier's School, Burdwan has always been committed to caring for every student and every family entrusted to us. We leave no stone unturned in our effort to provide a safe, nurturing, and value-based learning environment where every child can flourish.

To continue fulfilling this mission, we need the wholehearted support of our entire school community. I therefore request every parent, guardian, staff member, and student to stand together in promoting truth, mutual respect, and constructive dialogue. If you come across inaccurate information or unfair criticism about the School, I encourage you to seek the facts and promote understanding rather than allowing misinformation to spread.

Let us remain united in our common mission of building a positive, respectful, and caring school community. Together, we can create a safe, harmonious, and inspiring environment where our children can learn, grow, and become responsible citizens.

Thank you for your continued trust, cooperation, and support.

Fr. Dr. Maria Joseph Savariappan SJ,
Principal

Principal,
St. Xavier's School,
Burdwan (W.B.) 713 103.
