

Date: September 21, 2026

St. Xavier's School, Burdwan, is committed to caring for our Common Home – Earth. With the permission of the Police, the School is organising an awareness and cleanliness programme on “Care for Our Common Home – Earth” on September 26, 2026. We would like to involve our staff, students and parents of Classes 8 to 12 (**attendance compulsory**) in a cleanliness and awareness drive along the following routes:

1. **Classes 10 and 12:** St. Xavier's School → Police Line Bazar (St. Xavier's Road)
2. **Classes 9 and 11:** St. Xavier's School → Baranilpur Bazar (Baranilpur Road)
3. **Class 8:** St. Xavier's School → Sarbomilan Sangha More (Nibedita Abashik and DVC Road)

Staff, students and parents will walk along the respective routes and collect discarded plastic waste found along the way.

We earnestly request parents to join us in this meaningful initiative. Your participation will encourage our students and help us create greater awareness in the community about our responsibility towards our Common Home. Through this drive, we hope to encourage people to:

- Reduce and avoid the use of plastic;
- Avoid unnecessary wastage of water and food; and
- Plant and care for more trees.

What to Bring

All participating students and parents are requested to bring:

- White cap, Surgical gloves, Comfortable walking shoes, Paper bag, water bottle and sufficient tiffin. The School will provide surgical masks to the participants. Students must wear School Uniform.

Let us come together as one Xaverian community and take a small but meaningful step towards protecting our Common Home.

Arrival : 07.30am
Departure : 12.30pm

On September 26, 2026, the students of classes 6 and 7 will have a holiday.

Fr. Dr. Maria Joseph Savariappan SJ,
Principal
